

# Gross Value Added by Industry: Methods and approaches in compiling GVA

---

PowerPoint presentation on the methods and approaches in compiling value added by industry in current and constant prices according to the System of National Accounts (SNA) 2008, delivered by Maureen Blokland at a Regional Workshop on National Accounts convened by the Caribbean Community (CARICOM) Secretariat in June 2016. The presentation provides an overview of the concepts and definitions, data sources, methodologies and recommendations for improvement.
