

Value-added Components by Industry, Current prices and Employment by Industry - MRDS

Table 2.3/2.6

PowerPoint presentation on the components of value-added by industry required for the completion of the Minimum Required Data Set (MRDS) table 2.3/2.6. The presentation was delivered by Maureen Blokland at a Regional Workshop on National Accounts convened by the Caribbean Community (CARICOM) Secretariat in June 2016 and provides very high-level summary of the required elements.
